Aries

Aries is symbolized by the Ram. You're initiating, bold and impatient, your fiery nature making you irresistible and exciting. While you can be impulsive and combative, you're the absolute leader of the pack -- in team sports, business or just your group of friends and family!

Taurus

Taurus is symbolized by the Bull. You may be stubborn, but your grounded, steady demeanor makes you someone others can count on. You're also a sensualist who loves good food, physical affection, romance and material goods -- and only the best of everything.

Gemini

Gemini is symbolized by the Twins. You're flexible, flirty and inventive. Intelligent to the extreme, your idea of a good time is a lively conversation -- or better yet, a friendly debate. Thanks to the Twins' influence, you sometimes feel split in two directions and don't know what to do!

Cancer

Cancer is symbolized by the Crab. You're deeply emotional and intuitive, and your top concern is family. Something of a homebody, you prefer to stay in rather than go out on the town. You can be moody, drawing into your protective shell if things get too intense around you.

Leo

Leo is symbolized by the Lion. You're stubborn yet impulsive. You're also showy, dramatic and sometimes vain. You have a sunny demeanor and love to be the center of your loved ones' adoration. You'd make a great actor; in fact, many actors are born under a Leo Sun.

Virgo

Virgo is symbolized by the Virgin. You're flexible, yet practical. You get a kick out of organization and anything that puts your analytical mind to use. Watch out for perfectionism! Virgos feel and operate best in a position in which they can help others.

Libra

Libra is symbolized by the Scales. You're romantic but particular, diplomatic but indecisive, but ultimately happiest when you're in love. You don't really like to be alone, period. You abhor conflict, and have a highly developed sense of objectivity and conflict resolution.

Scorpio

Scorpio is symbolized by the Scorpion. Intense and emotionally perceptive, you pick up on unspoken words and speak the language of gesture. Deep, mysterious and magnetically attractive, you yearn for emotional intimacy. If hurt, you really sting -- and you don't forgive easily!

Sagittarius

Sagittarius is symbolized by the Archer. You're impulsive and inquisitive, needing travel and constant exposure to new foods, people, landscapes and things to do. Change is one thing you can't do without; you are a truth-seeker, and will go to the ends of the earth to find answers!

Capricorn

Capricorn is symbolized by the Goat. You're motivated, determined and practical. You see no need to take unnecessary risks. Career is a major concern for you; advancement and recognition are alluring concepts. You are ambitious and strong, but also somewhat conservative.

Aquarius

Aquarius is symbolized by the Water Bearer. You possess a quick intellect and an expansive mind keen on innovation and progressive thought. You're a rebel, but one who really needs people around. You have tons of friends, but you tend not to get too intimate with any one person.

Pisces

Pisces is symbolized by the Fish. You're empathetic, openhearted and intuitive. You rely on your instincts rather than facts or logic, experiencing things almost completely subjectively. Daydreamy and creative, you prefer to go with the flow rather than fight the current.
